

### **JHF was invited to speak at GEF meeting in Thailand**

Japan Housing Finance Agency (“JHF”) was invited to speak at the “Full Project Preparation Kick off Meeting for Thailand GEF Project - Accelerating construction of Green Energy Efficient home in Thailand” on October 7, 2019 in Bangkok, Thailand.

The conference was co-organized by the United Nations Environment Programme(UNEP), Global Environment Facility (GEF) and National Housing Authority (NHA), Thailand.

A delegate from JHF explained the undertakings of JHF to expand energy efficient houses in Japan and its implications to Thailand to accelerate the construction of energy efficient houses in Thailand, among others.
